

Little Landers Historical Society / Bolton Hall Museum Present

The Los Angeles City Archives is the official repository for many of the Los Angeles city government records. So what kind of records can be found at the Archives? A presentation by the city's archivist Michael Holland will describe some of the materials available to the general public. You will see and hear samples of preserved history followed by a Q&A.

THE LOS ANGELES CITY ARCHIVES

They're not just dusty old files!
Discover the treasures in our
city's archives and how you can
gain access to them.

Saturday, November 12th, 2016
